FREQUENTLY ASKED QUESTIONS

1. What is GasNetworks?

GasNetworks is a collaborative consisting of local gas companies whose mission is to work with governmental agencies and affiliates to promote energy-efficient technologies, create common efficiency programs, educate consumers, and promote contractor training and awareness of ever-changing natural gas technologies.

2. What is the purpose of the GasNetworks Rebate Program?

The purpose of the program is to encourage customers to purchase and install natural gas-fired, high-efficiency, commercial food equipment. Your gas company provides a rebate to cover a portion of the additional cost for installing high-efficiency natural gas equipment versus standard efficiency equipment.

3. How can I recognize this equipment?

Eligible equipment includes ENERGY STAR-rated natural gas-fired fryers and steamers. The rebate also applies to large vat fryers greater than 14" that have a tested heavy load french fry cooking energy efficiency of 50% utilizing ASTM Standard F2144.

A list of qualifying equipment can be found by visiting the Commercial Food Service Equipment page at www.gasnetworks.com or by calling the GasNetworks Rebate Administrator at 1-800-232-0672.

4. Where can I find a contractor to install the equipment?

Check the local Yellow Pages for a complete list of licensed contractors or businesses that specialize in the sale and installation of food service equipment.

5. When will I receive my rebate?

Pending approval, we will process and mail the rebate within 4-6 weeks of receipt of the completed and signed application.

TERMS AND CONDITIONS

CUSTOMER ELIGIBILITY

Equipment purchases and installations made between 12/1/08 - 12/31/09 are eligible for rebate. Equipment must be installed by a licensed contractor at the customer's address listed on the Rebate Application. Rebate must be filled out completely, signed and accompanied by dated receipts/invoices, and received at GasNetworks by 1/31/10.

INSTALLATION VERIFICATION

Prior to honoring any rebate, GasNetworks reserves the right to conduct an on-site verification that the equipment was installed according to the guidelines of the program and is operating properly. It does not include any kind of safety review and should not be relied upon as one.

LIABILITY

GasNetworks and the Rebate Administrator are not responsible for any loss or damage that may be caused as a result of the installation of the equipment.

WARRANTIES

GasNetworks and the Rebate Administrator do not endorse, guarantee, or warrant any particular contractor, manufacturer or product installation. Program is subject to change without prior notice, and rebate offers may increase or decrease at any time.

TAX LIABILITY

Participants of the program may be subject to tax liability for the value of goods and services received through the program pursuant to state or federal income tax codes.

NO TAX LIABILITY TO GASNETWORKS AND REBATE ADMINISTRATOR

GasNetworks and the Rebate Administrator are not responsible for any tax liability which may be imposed as a result of receipt of the rebates by the natural gas utility to the customer.
